Recommended Project List(s)

Using the obtained community input and discussion of staff recommended projects:

- Bond Committees will recommend a list of proposed projects for City Council's consideration **within the approved proposition total**.
- Bond Committees will also recommend a list of **proposed below the line projects** for consideration if City Council changes proposition totals in January or future applicable grant funding is secured.
- Any requests to fund additional recommended project(s) as part of the list of proposed projects must include a recommended project to reduce (i.e., remove).
