

Valerie Rodriguez was born in San Antonio, Texas, and has obtained her Human Resources Management AAS Degree and Marketing Management, Level I Certificate from San Antonio College. She is earning her Management Human Resources Concentration, Bachelor of Business Administration from Texas A&M University- San Antonio.

Valerie serves as a member of the SAWS Community Conservation Committee, and the United Way of San Antonio and Bexar County- Childcare Scholarship Parent Advisory Committee. She has worked for various non-profits in the community such as Prosper West San Antonio, Southwest Voter Registration Education Project, and the Guadalupe Community Center. She works for Bexar County as an Office Assistant IV for the Economic and Community Development Department- Community Impact Division. She is a local small business owner, a Florist, and a Photographer.

Valerie is a leader with a strong work-ethic who gained a passion for guiding the community toward resources that will uplift their circumstances and empower individuals to gain skills and an education to enhance their future. Through her own experiences, she has developed a foundation of resilience, and the enlightenment she has witnessed in those she has helped continues to fuel the fire she has which continues to encourage her dedication to strengthening the community. Valerie strives to be a source of inspiration for her son and aims to cultivate trustworthiness and reliability in her interactions with those she encounters on her path.
