

High Rise Letter of Intent

Name
Name of the Building
Building's Street Address
San Antonio Texas 782..

Date

To the City of San Antonio Fire Marshal,

My building has been identified as a high rise building. The City of San Antonio has adopted the 2015 International Fire Code (IFC) and the amended 2015 IFC Appendix M (High-Rise Buildings Automatic Sprinkler Retrofit Requirement). As such, I am providing this letter of intent before October 1, 2016.

It is my intent to comply with all requirements of Ordinance 2015-11-12-0946 which includes all sections of the amended 2015 IFC Appendix M from Section M101 up to and including Section M104.4.

It is my understanding that a copy of this ordinance with the amended 2015 IFC Appendix M is provided on the City of San Antonio website for reference.
