This memorandum addresses the San Antonio Police Department's (SAPD) procedure on the release of audio and video recordings as they relate to a critical incident that occurred on December 24, 2023.

The following incident's audio and video recording will not be released because it meets the following criteria in SAPD Procedure 410 Section 19: prohibited by law (for example where the incident involves a juvenile) and/or where domestic violence is involved or suspected.

On December 24, 2023, San Antonio Police officers responded to a disturbance call at the 7500 block of Westlyn Drive. As officers arrived, they walked towards the incident location and heard multiple gunshots and took cover. One officer returned fire and struck the suspect multiple times. The suspect was transported to a local hospital with non-life-threatening injuries.

As with all officer involved shootings, the District Attorney's Office is reviewing the incidents.
