

SAN ANTONIO

Drive safe. Bike safe. Walk safe.

The goal of Vision Zero San Antonio is to achieve ZERO traffic fatalities on our roadways and spread the importance of traffic safety through education and interaction with the business community.

## LET'S WORK TOGETHER!

### WHAT CAN I DO AS A MANAGER?

Share safety expectations in meetings, emails and presentations

Actions speak louder than words - lead by example and create a safety culture

Recognize employees that exhibit safe driving habits

Remind employees it's never safe to eat, drink, groom, text or take phone calls while driving

### HOW DOES IT BENEFIT YOUR COMPANY?

Fewer injuries or near misses

Increased productivity if drivers always arrive safely

Increased morale with company showing commitment to ensuring drivers' safety

SAN ANTONIO

Drive safe. Bike safe. Walk safe.

# YOU'RE BEHIND THE WHEEL!

## WHAT CAN I DO AS A DRIVER?

Wear your seatbelt at all times

Strive for zero crashes or near misses

Don't text or answer phone calls while driving

Park somewhere safely to make or return texts or phone calls

Always be aware of pedestrians, bicyclists, people with disabilities and police/fire vehicles
