

ARTICLE 32. PROMOTIONS

Section 1. Definitions

- A. Seniority - For purposes of this Article, each Fire Fighter shall be given one (1) point added to only the passing score on any written promotional examination for each year as a classified Fire Fighter in the San Antonio Fire Department. In no event shall the number of such seniority points exceed ten (10). "Classified Fire Fighter" is meant to include service as a Fire Trainee and a Probationary Fire Fighter. Seniority is defined as all years of service, whether interrupted or uninterrupted, on the San Antonio Fire Department, and not merely the 1st continuous period of service. Accrual of seniority points shall begin with the first day of employment as a Fire Trainee in the Fire Academy.
- B. Eligibility.
1. Fire promotional examinations shall be open to all Fire Fighters who have held a classified position with the San Antonio Fire Department for minimum required continuous years, immediately below that rank for which the examination is to be held. (This period shall consist of time spent by the Fire Fighter in actual service with the Department. Any absences other than for scheduled Annual Vacation/Holidays, Line-of Duty (LOD) or for serving on active military duty, in excess of fourteen (14) consecutive days will cause the Fire Fighter to be required to remain in that position and rank for a period of time equal to the time of such absence. Time spent on leave for less than fourteen (14) days shall not apply. Example: A Fire Fighter is an Engineer as of 1/1/87. S/he is off work on Sick Leave for fifteen (15) days. S/he would be eligible for promotional examination to the position of Lieutenant as of 1/16/89. Fire Fighters who receive a retroactive promotion will be entitled to use the retroactive promotion date for purposes of determining eligibility to take future promotional examinations.)
 2. The two (2) year continuous period required for eligibility to take the promotional examination for the rank of Fire Engineer shall commence with the date the Fire Fighter entered the Fire Academy. If the employee

was hired 6/30/07 the minimum continuous period required for eligibility shall be three (3) years from the date the employee entered the Fire Academy.

3. A Fire Fighter who has completed two (2) continuous years of service as Fire Engineer shall be eligible for promotion to the rank of Lieutenant. The two (2) year continuous period required for eligibility on promotion shall commence with the date s/he was promoted to Fire Engineer. If the employee was hired after 6/30/07 the minimum continuous period required for eligibility shall be three (3) years from the date the employee was promoted to Fire ~~Apparatus Operator~~ Engineer.

4. A Fire Fighter who has completed two (2) continuous years service as a Fire Lieutenant shall be eligible for promotion to the rank of Captain. The two (2) year period required for eligibility on promotion shall commence with the date s/he was promoted to Fire Lieutenant.
5. A Fire Fighter who has completed two (2) continuous years service as a Fire Captain shall be eligible for promotion to the rank of District Chief. The two (2) year continuous period required for eligibility for promotion shall commence with the date s/he was promoted to Fire Captain.
6. Any Fire Fighter that would become eligible to take an exam during the month that the exam is given, shall be eligible to take the exam.
7. In the event the scheduling of a promotional examination is prior to the ninetieth (90th) day of the vacancy, any Fire Fighter that would become eligible for such exam if it was given on the ninetieth (90th) day would be allowed to take such exam. For the purposes of calculating the ninetieth (90th) day, day one (1) begins from the first day of vacancy. Such Fire Fighter will also need to have met the criteria for eligibility for such exam as if it were given on the ninetieth (90th) day.
8. Promotional examinations for the rank of Fire Engineer, Lieutenant and Captain shall be administered during the same month each year as illustrated by example below:

	Month Examination Given	Date List Effective
Lieutenant	February 2012 <u>2025</u>	First Day of March 2012 <u>2025</u>
Captain	March 2012 <u>2025</u>	First Day of April 2012 <u>2025</u>

Fire Engineer promotions examination will be administered as soon as possible after execution of this Agreement in compliance with the "unscheduled written examination" procedure set forth in Section 1.B.9.

Each eligibility list shall be valid for a period of one (1) year from the effective date listed above. For example, the Fire Captain eligibility list

shall be effective from April 1, ~~2012-2025~~ through March 31, ~~2013~~
2025 2026 at 11:59 p.m.

9. If a promotional eligibility list for a rank is exhausted more than ninety ~~(90)~~ days prior to the next scheduled promotional exam for that rank, the City may conduct an unscheduled promotional exam for that rank as follows:
 - A. The date of the unscheduled written examination and the list of source materials for the examination shall be posted in accordance with the provisions of Local Government Code Chapter 143.
 - B. The unscheduled exam will be conducted in accordance with the requirements of this Article.
 - C. The resulting Eligibility List will be created in accordance with the requirements of this Article, and will be effective for a period of one (1) year beginning on the first day of the month following the month the unscheduled written examination was given as illustrated under Section 1.B.8.
 - D. The date of the next scheduled exam will be administered during the same month which is one (1) year after the date of the unscheduled written examination.
10. In order to implement the above promotion examination schedule it is agreed that in the event that a vacancy occurs prior to implementation of the above schedules, the time limits under Chapter 143 to hold an exam and make the permanent appointment shall be superseded, subject to the right to back pay below. This does not include either the required ninety (90) day posting of study material prior to the promotional exam, or the thirty (30) day notice provision for posting notice of the exam. Persons promoted during the implementation of the new schedule above shall retain the right to back pay as provided under Chapter 143, so long as those persons would have been eligible to take the test within ninety (90) days of the vacancy. In the event a person becomes eligible following the ninety (90) day period, that person will only be entitled to back pay back to the date of that person's eligibility.

11. In the case of a Force Majeure Occurrence which prevents the conduct of the promotional exam, the actual date of the exam may be rescheduled for up to sixty (60) days. Notice of the examination is sufficient if posted prior to the ninetieth (90th) day before the scheduled date of the examination notwithstanding the actual date if rescheduled. In the event of a rescheduling, no further notice of the examination is required other than the new time, place, and date of the rescheduled examination. This provision specifically preempts Chapter 143 of the Texas Local Government Code, including but not limited to sections 143.029 and 143.107.

A "Force Majeure Occurrence" shall mean an occurrence beyond the control and without the fault of the City. Without limiting the generality of the foregoing, force majeure occurrences shall include: acts of nature (including fire, flood, earthquake, storm, hurricane, ice storm or other natural disaster), war, invasion, acts of foreign combatants, terrorists acts, military or other usurped political power or confiscation.

C. Seniority in Rank.

1. The employee with the most time in a classified rank shall be considered the senior in rank.
2. Where employees of classified ranks other than the rank of Fire Fighter have been promoted at the same time, seniority in rank shall be determined by the employee's placement on their respective eligibility list.
3. Where employees of the rank of Fire Fighter have the same amount of time in that classification, seniority in rank shall be determined by their badge number.

D. Return From Military Service.

Effective with the signing of this Agreement Fire Fighters who were serving on active military duty as members of the Armed Forces and who were eligible promotional candidates according to the rules as set out by USERRA when a Department promotional exam was offered, who did not take the exam, may apply to take the next available promotional exam given for the rank for which they are currently eligible. At the time of the registration for

that exam, the firefighter must indicate in writing that they are requesting that their score be applied to the exam(s) missed, within thirty (30) calendar days after notice by the City of their rights and obligations under this subsection upon return to the Department from active duty, to take the promotional exam given for that rank. The consulting firm who constructs the promotional exam given for each applicable rank will as part of the exam create an "A" and "B" exam for each test. Each test will be similar in construction and material covered. Fire Fighters covered by this section will be offered the ability to take the "B" test on their return and after being given the same amount of study time as officer who took, the original "A" exam. If the Fire Fighter's score would have resulted in a promotion if it had been achieved on the exam(s) missed due to active military service, the Fire Fighter must be promoted to the next available vacancy in that rank. Seniority in rank and retroactive back pay owed will be established as of the date the Fire Fighter would have been promoted based on the score made at the time, as if s/he had not been on active military service. This provision is intended to comply with requirements of the Federal Uniformed Services Employment and Reemployed Rights Act (USERRA), and to supersede the terms of Section 143.032(b) of the Texas Local Government Code. This Agreement does not prevent the City from taking steps to comply with USERRA under unique or special circumstances.

Section 2. Study Materials Committee.

This selection section applies to future selection of source materials and posting of notice beginning January 2012.

The Chief shall establish a separate committee for the selection of proposed study materials for each promotional examination by rank. This committee will be comprised of two (2) members appointed by the Chief and two (2) members appointed by the President of the Association and shall be facilitated by the SAFD Human Service Division. This Committee will consult with the test consulting company to assure support from the job analysis throughout the materials selection process. Each member of the Committee will sign a pledge of confidentiality, agreeing to not release any information pertaining to any study materials selected by the Committee to be forwarded to the Chief in order to maintain the security of the selection process. Members of the Committee shall rank the material collectively and forward their recommendations to the Chief. Study materials for all ranks shall not be the same for any two (2) consecutive years.

After reviewing the recommendations, the Chief shall consult with the test consulting company to assure support from the job analysis. After her/his consultation, the Chief shall make the final decision and forward her/his selections and/or changes to the consulting company hired by the City to create the test. The committee membership will be changed after each testing cycle. The committee members appointed by both the Chief and the President of the Association will hold the same rank or higher as the position being tested for.
