To recognize efforts made by bargaining unit employees to reduce the costs of healthcare, the City will share the savings as outlined here. If the City determines the total cost of medical and pharmacy claims are below the adopted budget amount for medical and pharmacy claims for the bargaining unit for the fiscal year, the amount of savings equal to 50% of savings will be divided equally among the active Officers enrolled in either the VALUE or the CDHP plan and will be deposited as an additional contribution to the Officer's HSA or FSA account the following calendar year.
