

The Alicia Treviño López Senior One Stop Activity Center

About the WellMed Charitable Foundation

The WellMed Charitable Foundation (WCF) and the City of San Antonio (COSA) have partnered to operate The Alicia Treviño López Senior One Stop Center. This comprehensive center advances the City's focus of supporting San Antonio's multi-generational senior community in leading an active, independent and engaged life. The WellMed Charitable Foundation, established in 2006 by Dr. George M. Rapier III is the philanthropic partner of WellMed Medical Management, Inc. As a non-profit 501 (c)3 organization, the Foundation supports older adults and their caregivers through opportunities to help them stay physically, mentally and socially active.

With the goal of healthy living, the Foundation oversees the daily operation of a series of nationally-recognized senior activity centers in Texas and Florida. Some are funded through valuable public/private partnerships. The senior activity centers are open to the public and provide services to people age 60 or older at no cost.
